**ACKNOWLEDGEMENT OF OWNER**

The undersigned owner(s) of property located at Unit \_\_\_\_\_ Block \_\_\_\_\_ Lot \_\_\_\_\_ or Tract \_\_\_\_\_ (the "Lot") hereby acknowledge(s) that, in order for the subject Lot to be connected into the drainage system operated and maintained by Ranger Drainage District (the "District"), such Lot is required to be graded pursuant to the lot grading guidelines promulgated by the District and that adherence to such guidelines must be certified by a qualified engineer or surveyor. With this Acknowledgment, I (we) have submitted certified as-built plans confirming adherence to the District's lot grading guidelines. I (we) also acknowledge that in the event that the drainage from the subject Lot fails to flow in a manner consistent with the District guidelines or such drainage otherwise negatively impacts the works of the District or other properties, including those adjacent to the subject Lot, that I (we) shall be responsible for immediately correcting such deficiency, including any required re-grading of the subject Lot in order to meet District standards.
