

NO TRESPASSING/VANDALISM

The canal banks and secondary easements are posted with NO TRESPASSING signs.

This means:

-  **NO 4 Wheelers**
-  **NO ATV's**
-  **NO Motorcycles**
-  **NO Golf Carts**
-  **NO Go Karts**
-  **No Vehicles of any kind**

These vehicles are tearing up the District swales and easements. In return, this activity costs you, the tax payer to have them repaired. Let's all work together to make sure that these vehicles stay away from these areas. If you see these activities **call the Orange County Non-Emergency Number at 407-836-HELP (4357)**, then the Neighborhood Watch Co-Coordinator, **Mr. Phil Unser at 407-679-6644**. Anyone caught in these areas with a vehicle will be prosecuted to the full extent of the law. All of us working together can make a difference.
